

Electronic Press Kit - Lord Bishop Unplugged

BIO:

Love Ya is the unplugged side project of Lord Bishop, the founder of "Lord Bishop Rocks", one of the most exciting and musically gifted Rock trios of the 21st century. Influenced by Hardrock, Funk, Blues, Jazz, Reggae and Punk – the trio, fronted by Lord Bishop have meshed these influences into a sound they call Hendrixian Motör Funk. These, amongst other musical influences have shaped Lords debut solo album into a new sound previously unheard by his fans. The album touches on many topics close to Lords heart including Love, Politics and many other areas. The album was recorded in 2018 following a successful tour to New Zealand where the music was met with an extremely warm reception.

QUOTES:

LORD BISHOP is responsive to the audience, absorbs the atmosphere and serves it with his guitar and his extraordinary and captivating voice.
